Dear Joe:

We sincerely thank you for your generous participation as a sponsor of our Art from the Heart dinner and auction. We were proud to display the Non-Profit Partners name! Your hours upon hours of donated time and service have neither been unnoticed nor unappreciated, and will serve us well for years into the future in making our fundraising efforts more efficient and successful.

It is truly an honor to count you among the top distinguished supporters of the thousands of individuals with disabilities who live in our state. Your participation added class and distinction that elevated our event.

You have done a wonderful thing! Because of your generosity people with mental retardation will have opportunities for new friendships—from individuals who spend time with them on an unpaid personal, rather than professional, basis. Our Citizen Advocacy Program matches citizens from our community with people who simply need a buddy from time to time to ask advice, attend a baseball game, go shopping, or maybe just sit with quietly side by side. How mutually enriching the experience is between two people who discover how much they have to share! Can you think of anything more important than the relationships in your life?

Your donation to Art from the Heart keeps this program going.

We had a tremendously successful Art from the Heart, another great year of Citizen Advocacy, and more of those great big smiles that go with it! Thanks to **you**, Joe, and Non-Profit Partners.

With deepest gratitude,
